Career Profile Questionnaire

Instructions

There are 32 Groups of questions. Each Group consists of four statements.

You have to choose ONE statement in each Group that is MOST like you, and ONE in each Group that is LEAST like you.

This is a profile NOT a test. There are no right or wrong answers and you cannot pass or fail.

Complete the questionnaire in less than 15 minutes. Don't take too long over each question.

Make the selection yourself and don't ask others what they think you are. It is important that you answer the questions yourself. Career Profiles are created from the answers you give.
